

13.Education

13.1:Introduction

Nallur division has 40 schools. Government & Non-Government Organizations (NGOs) help to raise the standard of education of the poor children. The NGOs have constructed many public libraries and provide various types of books according to the need of the students and public of the areas of Nallur, Kokuvil and Kondavil areas. Besides the NGOs show interest to raise the standard of the education through capacity building programmes of the Pre-School and primary schools.
