

## 12. HEALTH SERVICES

### 12.1 Introduction

There are three rural hospitals in our division. These are Divisional Hospital Kondavil, Primary Medical Care Unit Kokuvil and Primary Medical unit Kokuvil. Not only the patients of Nallur division but also patients from other parts of Jaffna district come for treatment at Jaffna Teaching Hospital because of free medical care and huge number of facilities. Private hospitals are also function in the division.

### 12.2 Present Infrastructure Facilities -2023
