11.4: Telecommunication Facilities in Division -2023

Nallur division has good telecommunication facilities. Sri Lankan Telecom Department provides telecommunication services such as land line (SLT) and mobile (Mobitel). Dialog, Airtel, Etisalat, Hutch, Lanka bell companies also provide facilities for telecommunication services. All of these telecommunication services include fax, internet and e-mail services too. Now the people living in Nallur division have enough telecommunication services.
